Dear NASA Members and Suppliers:

As we recently communicated, the NASA Management Team has been actively monitoring the COVID-19 situation and the potential impact on NASA's upcoming Annual Meeting in Orlando, April 29 - May 1, 2020. As stated, the health and safety of the NASA community is our top priority.

In consultation with the Board of Directors we have decided to **cancel the 2020 NASA Annual Meeting**.

We know that many of you look forward to NASA's Annual Meeting for the opportunity to network with your fellow NASA members and suppliers. During this unprecedented time, it is even more critical to support our Preferred Suppliers and fellow members with your purchases, which will in turn strengthen your co-op.

With this cancellation, we hope you will recognize the importance and value of attending our Annual Forecast Conference in Chicago from October 19-20, 2020. And we hope to see you all there.

Here are a few important notes regarding the Annual Meeting cancellation:

- All dividend distribution checks will be mailed on April 29, 2020.
- If you would like a copy of the audited financials for 2019 please email your request to Vicki Snemis at [vicki@steelalliance.com](mailto:vicki@steelalliance.com). They will be available after April 29.
- The proposed list of Board Members for 2020-2021 is below. This will become official when the Proxy ballots are counted and certified.

NASA will cancel all meeting registrations, however, to avoid fees for yourself, **please remember to cancel any room reservations that you made directly with the [Ritz-Carlton](#)** (800-266-9432). We would like to acknowledge and thank the Ritz-Carlton for being very accommodating and allowing us to cancel the event at no cost to the co-op.

If you have any questions or concerns please reach out to me at [mike@steelalliance.com](mailto:mike@steelalliance.com) or 847-879-8778.
