

## FOR IMMEDIATE RELEASE

**Chicago, IL – November 1, 2021** – The North American Steel Alliance (NASA) announces the addition of Gerlinger Steel & Supply Company as the newest Member-Owner company of North America’s largest [metal purchasing cooperative](#).

Gerlinger Steel was established in Redding, CA in 1929. They serve construction, precious metal, lumber, aggregate mining and agriculture industries in Northern California and the San Francisco Bay Area. Through the passage of time, Gerlinger Steel continues to expand and evolve its services as the needs of its customer change, offering full lines of metals, fabrication equipment, industrial hardware, and fabrication services.

“Gerlinger Steel is excited to join the North American Steel Alliance. We are always looking to improve our customer service and strengthen our supply chain and being a NASA member will help us continue to do both.”

Gerlinger Steel & Supply is a fourth-generation family owned and operated business. It is constantly striving to serve its customers and provide the highest quality services as efficiently as possible.
